

MASTER « *In Silico* Drug Design »
Second Year

OFFER AN INTERNSHIP
year 2017/2018

send to Pr Camproux
anne-claude.camproux@univ-paris-diderot.fr

Name of the head of laboratory or company:

Univ.-Prof. Dr. Mag. pharm. Thierry Langer

Address :

University of Vienna, Faculty of Life Sciences
Department of Pharmaceutical Chemistry
Faculty of Life Sciences, University of Vienna
Althanstraße 14, 2D 306 A-1090 Vienna, Austria

E-mail : thierry.langer@univie.ac.at +43-1-4277-55103

Name of training supervisor:

Phone number :

Fax :

E-mail :

Specialty training : Research

Professional

a few key words to describe the subject of training :

Title of internship: Analysis of multiple ligand on a target protein using pharmacophore and molecular dynamics.

this subject is a first step towards a thesis: Yes - No

Short texte describing your project

Use pharmacophores as tools for lead optimization while extracting info from MD, docking, screening.
(Charmm Suite)
